

BABA Act Compliance Certification Letter

Date: July 13, 2026

To: *Whom it May Concern*

Subject: Certificate of Domestic Origin – Build America, Buy America (BABA) Act Compliance

Dear *Customers*:

Zero Surge Inc. certifies that all products manufactured and supplied by our company comply with the domestic procurement preferences established under the **Build America, Buy America (BABA) Act** (Public Law 117-58, §§ 70901-52), enacted as part of the Infrastructure Investment and Jobs Act.

Specifically, all Zero Surge products qualify as **Manufactured Products** produced in the United States under 2 CFR § 184.3 and meet the following federal compliance criteria:

1. **Domestic Final Manufacture:** The final manufacturing, assembly, testing, and quality control processes for all Zero Surge products take place exclusively at our manufacturing facility located in New Jersey, United States.
2. **Domestic Component Content:** The cost of components mined, produced, or manufactured in the United States exceeds the statutory requirement of 55% of the total cost of all components used in the final product. Zero Surge maintains strict supply chain oversight and procures its components through a network of domestic U.S. suppliers.

This certification applies broadly to all standard, custom, and commercial-off-the-shelf (COTS) product lines manufactured by Zero Surge Inc.

Sincerely,

James Minadeo

President
